9

Team effort needed from Volunteers, Players, Parents, Coaches, and Educators.

3

Sport needs to embrace the 'good' and eliminate the 'bad'.

8

TRUST helps raise awareness of sport as a human right, reviewing policies and sharing good practices, while empowing civil society on human rights.

4

Sport enables sustainable development by advancing human rights and 'leaving no one behind'.

**(5)** 

Human Rights and Sustainable Development Goals are inherent in global sports policies. 6

All people have a right to access sport, and rights are promoted through sport (Eg: health, education & employment).

7

When people face barriers to access, sport is not 'As It Should Be': Fun, Fair, Safe, Clean & Equitable.
